
CHILDREN'S PARTY/FUNCTION BOOKINGS

The CSME facility is available for children's parties/functions during the week (Wed through Sat). Two timeslots of 2 hours each are available on these days: 10h00 - 12h00 and 14h00 – 16h00. Any special requirements may be discussed directly with the CSME Manager, Mr Johan Swanepoel on 064 520 8572.

(Note: The CSME venue does not include the model boat, the 32-45mm Miniature trains nor the Model Truck areas).

A standard fee is charged for groups of **up to 40** guests (including children 2 years and older). An additional fee of R15 per person is applied where the number of guests exceeds 40. The fee includes a train with a petrol/electric locomotive and 6 carriages which can carry up to 30 passengers. The train will run for 45 minutes in each hour and will normally leave the station every 8-10min during each 45min session.

The venue will be available to organisers 30 minutes before and 30 minutes after the event for preparation and clean-up respectively. The organiser/applicant must provide their own coffee, tea, milk, sugar and cups (preferably of the disposable kind). An urn with boiling water will be made available, on request only.

Children must be under the supervision of a responsible adult on the train. Children 2 years and under must be physically held by a responsible person.

To avoid congestion, it is highly recommended that a second train be booked in cases where the number of guests exceeds 60.

Subject to availability, a steam locomotive may be requested to replace the standard petrol or electric locomotive. These steam locomotives are privately owned and arrangements need to be made well ahead of time. An extra surcharge is levied for a steam locomotive.

A non-refundable deposit of 50% of the total event cost, should be made via EFT into CSME's bank account, immediately after the booking form has been successfully submitted.
