APPLICATION FOR MEMBERSHIP TO THE SOCIETY

Surname:

First name: **Nickname:**

Identity Number:

Wife's name:

Home address:

..... **Postal code:**

Postal address (if not the same as Home address):

..... **Postal code:**

Tel. No: Home: **Work:** **Cell:**

Email address:

The annual subscription is **R500** for Ordinary and Associate members, and **R250** for Pensioners and Junior members, payable *pro rata* as from date of **approval**. A once-off, **non-refundable, joining fee**, equivalent to one year's subscription, will be payable on submission of the application.

Reason for wishing to join the Society:

.....
.....

Do you own, or are you constructing, or intend constructing a model? If so, please **complete table in Part 2**.

Are you prepared to join a Tuesday or Saturday Gang work party?

Can you offer the Society any special talents or services?

Prior to completing this application form, you need to meet with at least two members, (one to be a committee member) who will then propose and second your application. On completion of the application, please hand same to the Secretary or other committee member. Copies of the Constitution and House Rules will be made available to you on admission as a member.

Your application will be pinned to the notice board for **two months** and during that time, it will be in your best interest to attend the club meetings and running days to familiarize yourself with the activities of the club and make yourself known to committee members. The Society offers all members the opportunity to qualify to safely drive diesel, electric or live steam locomotives for the purpose of hauling passengers. This licence is valid at all model railway clubs in South Africa. On completion of the two-month period during which you will enjoy the privileges of membership, except the power to vote, your application will be placed before the Committee for approval. After 12 months the committee will assess your involvement with the Society to determine continued membership.

APPLICATION FOR MEMBERSHIP TO THE SOCIETY – PART 2

The information being requested below is for the compilation of a data base.

This information is not to penalize any who do not have certificates. It is to assist wherever possible, current builders and those with existing completed locomotive/s, to obtain registration on a national database.

It is also to verify compliance with society, regional or national standards in certification.

Locomotive design name and name of builder	Weight	Gauge	Designer	Boiler pressure	Boiler certificate No	Issuing society	Boiler inspector
